

TobyTrax Reduces the Time Spent on Pet Licensing

When it comes to tracking man's best friend, trust TobyTrax to reduce the time it takes to do this.

With automated features, TobyTrax will reduce the time your staff spends on printing licenses and tags.

TobyTrax simplifies the responsibilities of collecting fees and issuing licenses. With a few simple clicks of the mouse, TobyTrax can renew and print licenses, collect and record fees, and quickly generate powerful reports for easier monitoring.

TobyTrax will reduce the time your staff spends on printing licenses and tags.

How Cott Adds Value

Print & Renew Licenses Quickly

Easily print dog licenses and rabies certificates with the click of a mouse. Renewing is even simpler. TobyTrax reduces the need for redundant data entry, and instead pulls relevant fields from its database. With just a few clicks, quickly renew licenses and rabies certificates.

Automated Tasks & Fee Collection

TobyTrax automates the tasks that you do the most. For license renewal and fee collection, TobyTrax auto populates renewal letters, fee collection, license printing, with the owner's contact information, pet(s) information, dog license and rabies expiration, and the amounts required for each renewal. TobyTrax also allows you to easily track and charge for late fees.

Customizable to Your Workflow & Needs

TobyTrax can be customized to your office's specific workflow. Easily add and remove users. TobyTrax can change according to your changing needs. Easily add or consolidate breeds, colors or owners.

Powerful Reporting Made Simple

Information at your fingertips. TobyTrax provides a multitude of built-in reporting. Generate reports by date, breeds, owner, license year, or rabies expiration year. Quickly see licenses that need renewed, or have expired.

Unlimited Customer Support

TobyTrax comes with unlimited access to Cott's industry-leading customer service. **On average, 80% of all calls are answered in less than 20 seconds.** Using an outside Customer Loyalty Auditing firm, **97% of the customers surveyed indicated they would likely recommend Cott to others.**
